

## The **RUSTICO TIMBER** expands its offer

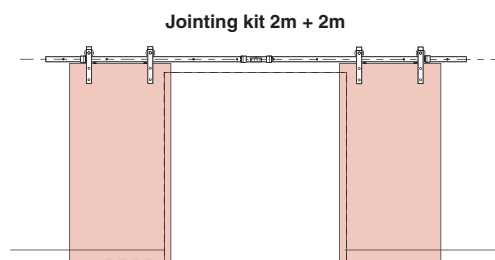

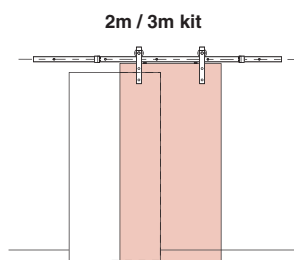

New  
finish  
**Oxide  
Iron**

New  
handles

### Saheco incorporates new options onto the system SF-Rustico 80

- New finish Oxide Iron in 2m and 3m, with the possibility of joining two kits to get a double door.
- New handle in two finishes: Oxiron Black Iron and Oxide Iron
- Ideal for installations with sliding timber doors up to 80kg.
- Its aesthetic allows giving a rustic air to any space and environment returning to the origins of sliding doors.
