

The **RUSTICO TIMBER** family is growing  
with the **SF-RUSTICO 80G** system

**Saheco is widening the Rustico Timber family with the large wheel kits offer**

- New system SF-RUSTICO 80G with a look reminding us of ancient barn doors.
- 2m and 3m kits are available in Black Oxiron Iron finish.
- Wheel with a 125mm diameter.
- Possibility to merge 2 kits with the jointing kit.
- Ideal for installations requiring wooden doors weighing up to 80kg.

New - 027C
